Čitava priča započela je s Grejp sodom, a danas postoje još i Artistički tonik, Lemon tonik, Egejski tonik, Soda, Gentleman's soda i Ginger Beer.

A brand that first appeared in Greece. It was created by barmen to provide everything they needed: taste, ingredients and quality in one bottle.

Zlatne boje, s profinjenom i postojanom pjenom. U ustima se nazire blago začinjen okus agruma i voćne arome koja proizlazi iz estera prema zahtjevu i želji majstora pivara. Svježe i uravnoteženo, ističe se po svojoj suhoći i blagoj, ugodnoj gorčini pri završetku koja potiče na ponovo ispijanje.

A golden colour with a refined and long-lasting head. In the mouth, there's a slight taste of citrus and fruity aromas which comes from the esters in accordance with the wishes of the beer masters. Fresh and well balanced, it stands out for its dryness and gentle, pleasant bitterness at the end, which encourages you to try it again.
